

What is Festival of Trees?

Festival of Trees is a three-day holiday event benefiting Kennedy Krieger Institute. This magical event features more than 700 trees, wreaths, and gingerbread houses decorated by local designers, corporations, and schools. There's also shopping, entertainment, and delicious holiday treats!

At Kennedy Krieger Institute, we're dedicated to helping children and young adults with disorders of the brain, spinal cord, and musculoskeletal system. Our goal is to help them achieve their full potential and participate as fully as possible in family, school, and community life.

Please join us as a volunteer and get into the spirit of the season, while helping Kennedy Krieger help others.

Over 500 volunteers are needed to:

- Greet attendees & distribute programs
- Oversee the kids' craft area
- Assist in kids' interactive game area
- Take tickets at the rides
- Be one of Santa's helpers
- Help with other necessary tasks
