

What is Festival of Trees?

Festival of Trees is a three-day holiday event benefiting Kennedy Krieger Institute. This magical event features more than 700 trees, wreaths and gingerbread houses decorated by local designers, corporations and schools. There's also shopping, entertainment and delicious holiday treats!

At Kennedy Krieger Institute, we're dedicated to helping children and young adults with disorders of the brain, spinal cord and musculoskeletal system. Our goal is to help them achieve their full potential and participate as fully as possible in family, school and community life.

Please join us as a volunteer, getting into the spirit of the season while helping Kennedy Krieger help others.

More than 500 volunteers are needed to:

- Greet attendees and distribute programs
- Oversee the kids' craft area
- Assist in the kids' interactive games area
- Take tickets at the rides
- Be one of Santa's helpers
- Help with other necessary tasks
